Newest Kids at The Pines

We recently took in 3 of the 5 children pictured to join our family. The two older boys are living with family in the township where they are attending school.

Amohelang Ken is the fourth oldest of the siblings in the family. The children came to us through the government agency, Social Development where most of our children come from. He came into care on August 20, 2022.

His name means "Accept or welcome." he came to The Pines along with his siblings due to the mothers whereabouts being unknown and no knowledge of his father, in fact all 5 children have different fathers. The mother just up and left one day handing over the monthly grant money to the oldest child and has not been seen since. Amohelang is 3 years old and is attending pre-school where several of our younger kids attend. Trinity preschool run by our pastors wife Esther has been a huge blessing in helping our toddlers learn english as well as preparing them for primary school.

We are blessed to be able to meet the physical needs of the children and it is also our desire to meet the spiritual needs and we pray that one day this precious boy would come to know Christ as his personal Lord and Savior.

He has adjusted well to life at The Pines for which we are thankful. Often times when children come into care the adjustment period is difficult. Please pray with us that God will use The Pines to bring Amohelang to a saving knowledge.
